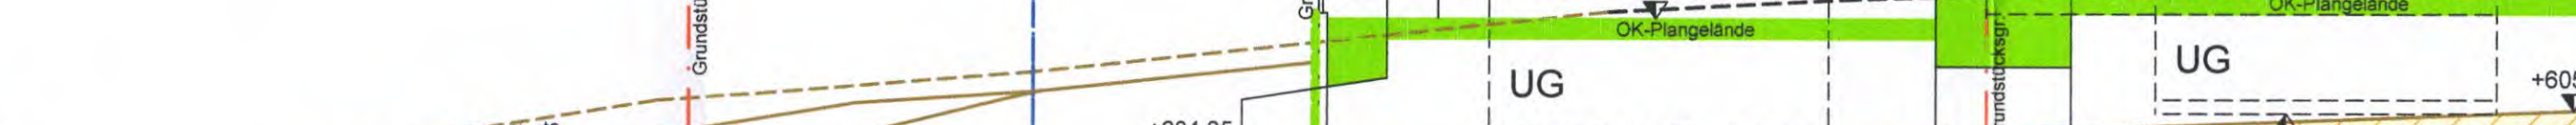

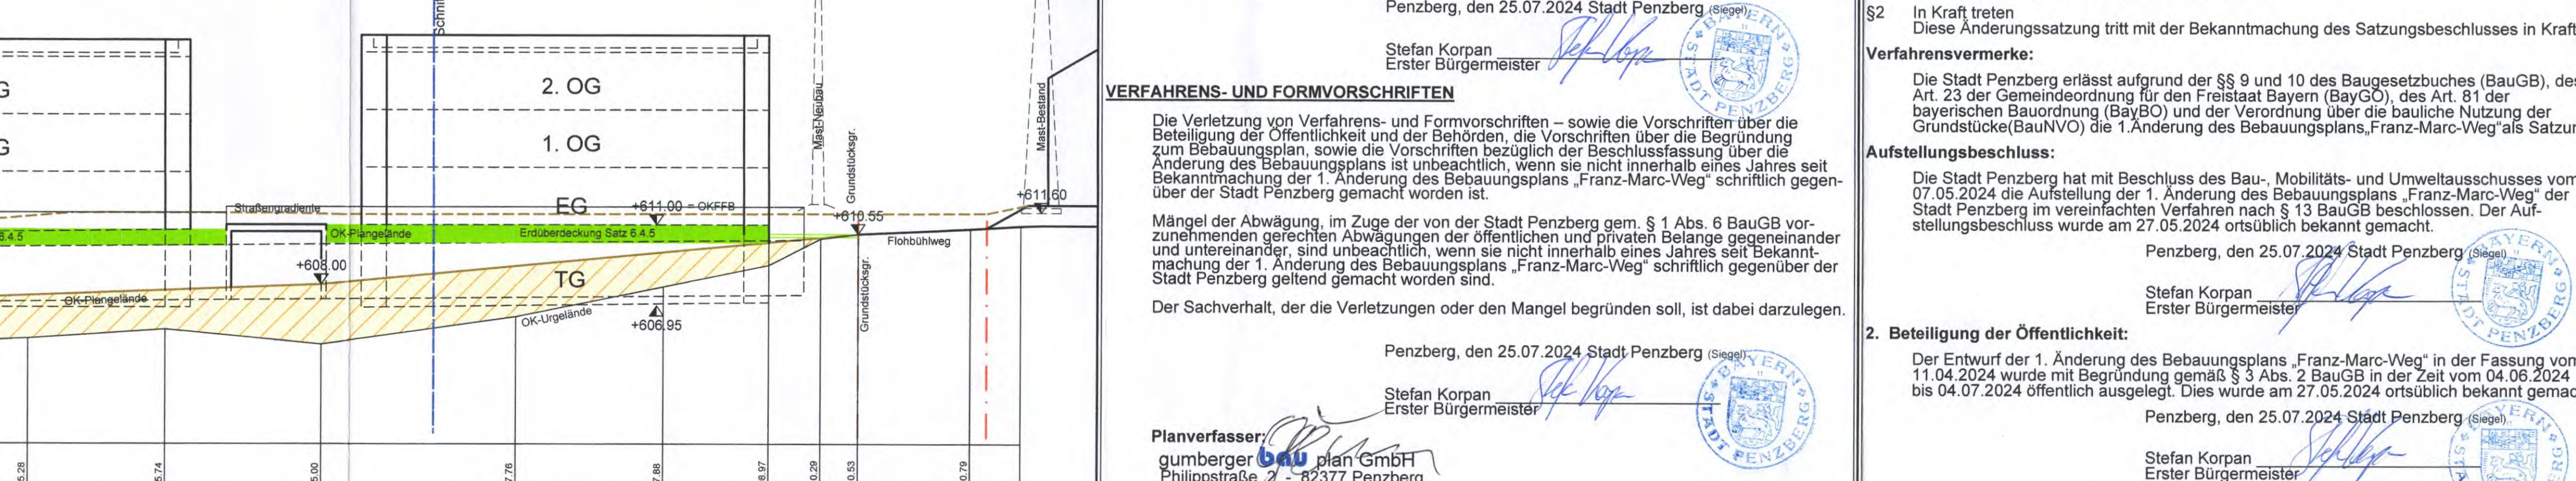

Figure 1 is a line graph showing the percentage of respondents who believe that the use of force is justified in various circumstances. The x-axis represents the percentage of respondents who believe that the use of force is justified (0 to 100). The y-axis represents the percentage of respondents who believe that the use of force is justified (0 to 100). The graph shows that the majority of respondents believe that the use of force is justified in all circumstances, with the highest percentage of respondents (around 80%) believing that the use of force is justified in all circumstances.
